

Bike School Programs & Pricing

Youth Programs Ages 6-14

Youth	Description	Time	Ticket	Bike Rental	Lesson Price
Kids Learn to Ride	For kids who know how to ride a bike, but have never experienced mountain biking, this two hour session will introduce them to riding on beginner-friendly terrain. Our experienced coaches will help with bike set-up, basic body position, maneuvering and braking.	10:00-12:00 or 1:30-3:30	Included	Included for the lesson only	\$69
Half Day Kids Lesson	The Half Day Kids program is a three hour group session that provides safe terrain and instruction on core skills. The lesson will utilize our skills area and our family friendly lift-serviced terrain. We will develop proper braking, cornering, balancing, descending, and lifting up and over techniques. We will also instruct riders in trail stewardship, rider etiquette and safety awareness on the trails. *Groups will be divided based on age and/or skill.	9:00-12:00 or 1:00-4:00	Included Season Passholder discount available	Not included	\$99
Seasonal Program	This one day a week, 8 week program will provide young riders with a progression of skills to take their riding to the next level. Kids will spend the day in a group with riders of similar skill level. Each group will spend time developing riding skills, learning basic bike mechanics as well as safety awareness and trail etiquette.	8:30-4:30	Included Season Passholder discount available	Not included Seasonal Rental available	\$499 ((\$350 for second kid)
